Form 990 - Organization's Mission or Most Significant Activities

Bridges of Hope was founded in 2002 as a 501c3 faith-based nonprofit organization. The mission of Bridges of Hope is to build bridges of support, anchored in Christ's love, between families in the Lakes Area and the community assets that can help them thrive and gain hope. Though the organization is founded on religious principles, the services to households are always provided without reference to or expectation of any stated belief. Bridges of Hope partnerships within the community to strengthen, stabilize and support families, sending a message of hope and empowering families to thrive.

Bridges of Hope serves anyone who contacts us within Crow Wing County and the surrounding communities in central Minnesota. Every person who reaches out for help is facing a unique challenge; and unlike traditional human service agencies that typically focus on a single type of service (housing, counseling, health, etc.), Bridges of Hope instead focuses on assisting a household in crisis-whatever the crisis may be-by assessing their needs and strengths and working creatively and collaboratively to assist them with interventions that can help them move beyond it. Bridges of Hope does not set income or asset limits as part of our eligibility; our expertise is in helping a household access the existing resources they qualify for and in seeking creative solutions for those who are not eligible for more traditional services (such as County social services). Our resources and services programming goals are to prevent child abuse, maltreatment and neglect; reduce isolation; increase family stability; and promote stronger, healthier families.
